Seventh-day Adventist Church
William E. Carpenter, Pastor
Pastor Carpenter's sermon last Sabbath was entitled "Go d's Strange Act". Scripture text— Isaiah 28:21. "For the Lord God will rise up as in Perazim he shall be wroth as in the valley of Gibeon that he may do his work, his strange work and bring to pass his act, his strange act." The Pastor said "God's original plan —a freedom of choice, is in harmony with his plan of love quoting from John 3:16 "For God so loved the world that he gave his only begotten Son that whosoever believeth in him should not perish but have everlasting life."

Isaiah 61:23 in speaking of the judgements of God on the wicked and blessings on the godly has this to say —"They shall not labour in vain, nor bring forth for trouble, for they are the seed of the blessed of the Lord and their offspring with them." 2 Peter 3:9 says— "The Lord is not slack concerning his promise, as some men count slackness but is longsuffering to us—Ward not willing that any should perish, but that all should come to repentance." We read in Thess. 1: 6, 9. "In flaming fire taking vengeance on them who know not God and that obey not the gospel of our Lord Jesus Christ. Who shall be punished with everlasting destruction from the presence of the Lord and from the glory of his power."

Rev. 20, v 6 first part "Blessed and holy is he that hath part in the first resurrection on such the second death hath no power." V. 11 "And death and hell were cast unto the lake of fire, this is the second death. "Mal. 4:13, describes "God's Strange Act" as an everlasting destruction.

Rom 6:23 "For the wages of sin is death, but the gift of God is eternal life through Jesus Christ our Lord." Christ's purpose in coming to this earth was to destory him that hath power over death, that is, the devil. Heb. 2: 14.

In conclusion the Pastor said, "Let us live according to God's plan so we may escape the everlasting destruction which is the punishment of the ungodly."

Sabin Funds Help Many Organizations

County residents made generous donations as they walked through the line picking up a sugar cube with life protecting Sabin Oral Vaccine last year and early in '64. Many a man, woman, and child received all three types of polio protection by attending each of the three county - wide clinics.

Money left over when all bills were paid has been given in sizeable sums to help several county enterprises. The Rescue Squad, the Volunteer Fire Department and Appomattox Heritage and its "Sound-light" program, have all been sent checks amounting to at least $500 each. And there's $500 allocated for a new county Health and Civic Center, contingent upon the start of planning and construction in 1965.

Club Projects Spell Profit For 4-H Member

A U.S. Army lieutenant, now serving overseas, found that 4-H membership can be pleasurable and profitable. Income from sale of hogs and farm crops raised while he was a 4-H club member ran as high as $847.09. William Forbes, of Appomattox, was a 4-H member six years. His projects included corn with an 84.5 bushel yield, tobacco, and a Duroc herd of purebred animals. William has made more cash profits than any other former 4-H member in this county. New Law Offers Education To Vets' Children

A new law, signed by the President and effective July 6, 1964, provides educational assistance to the children of veterans who are permanently and totally disabled from service connected disability due to active service in the armed forces during a period of war or the induction period.

The term "permanently and totally disabled" means any disability rated total for the purpose of disability compensation, and which is based upon an impairment reasonably certain to continue throughout the life of the disabled veteran. This does not include temporary ratings of 100 per cent granted during periods of hospitalization and convalescence. Educational assistance will be available if the veteran dies while his permanent disability is rated at 100 per cent, even though the death is due to a cause not service connected.

The Veterans will soon provide information to eligible veterans now in the firm which will help with one want ad in the TIMES-VIRGINIAN. Cost to the firm is

Virginia Exhibit Added To Fair

RICHMOND — The Virginia Travel Council announced today the completion of negotiations with Greyhound officials to install a twenty foot Virginia Travel exhibit in the ten and half million dollar Greyhound Pavilion at the New York World's Fair. The exhibit will be installed immediately and will remain in the Greyhound Pavilion through August.

The Council currently maintains an exhibit in the Travel and Transportation Building which will be on display through the two years of the Fair.

The new exhibit chosen for display will be known as the "Three Worlds of Virginia," showing numerous pictures of Virginia of the past, the Virginia of the present and the Virginia of the future. Batteries of pictures of Old Dominion attractions will flank the main display and three dimensional models of Mt Vernon and Williamsburg are slated for use.

The new exhibit in the Greyhound Pavilion will reach those who have just witnessed the showing of a Virginia travel picture in the Greyhound theatre. Being considered is the addition of a "live" presentation on Virginia's Autumn attractions.
